

Consent Form

I, _____
(name, first name)

date of birth _____

declare, that I have voluntarily agreed to participate in the user study

„Comparing Visualization Modalities“,

which is part of the Bachelor's thesis

„Comparing Information Visualization Modalities for 2D Diagrams on Handheld Devices for Industrial Augmented Reality Applications“

of Tim Brüggemann.

- ☒ I was sufficiently informed orally and/or in writing about the scientific investigation.
- ☒ I agree that data about me will be collected and recorded anonymously as part of the study. The data will not be used to determine who participated in this study when it is published in the final paper. The recorded data include:
 - Screen recording, answers to the tasks, time, button presses, rotation and scale values of the diagram, observations by the test supervisor
- ☒ I agree with the procedure described above and confirm this with my signature.
- ☐ I additionally agree that during the oral feedback-interview at the end of the study my audio will be recorded for a one-time-use transcript. Afterwards the recording will be deleted and not used for any other purposes.
